

Euro Broom

Long hailed as the hard floor cleaning tool of choice in Europe, the Euro Broom is now ready to sweep into America. Consumers in Europe most often own two of these innovative tools - one for the floor and the other for above counters, ceiling fans and dusting cobwebs. This unique cleaning tool is available for the first time through independent dealers with no competition from big box retail outlets. The Euro Broom can be sold by itself or as part of our Ceramic Tile Cleaning Solution Center.
