

New Oreck Aftermarket Brushroll

CWP is proud to announce that we can now satisfy all of your Oreck brushroll needs with the launch of the Oreck XL21 model. This high quality brushroll utilizes all of the same features as CWP's version of the Oreck Classic Brushroll (OR201). Living up to the CWP quality and design reputation, this brushroll replacement will perform as good or better than the OEM. Enhance your reputation and satisfy your customers by selling CWP brushrolls.
