

New Windsor/Sebo Aftermarket Brushroll

CWP is proud to announce the anticipated release of the Windsor/Sebo 12" replacement brushroll. It took nearly two years to develop, but this highly engineered, creatively designed brushroll is the product alternative your customers have been waiting for. Living up to the CWP quality and design reputation, this brushroll replacement will perform as good or better than the OEM. Enhance your own reputation and satisfy your customers by selling CWP brushrolls.

Product Details

OEM Part#	CWP Part#	Description
5010WI and 8.600-495.0	W101	12" Windsor Sensor
5010ER and 5010AM		12" Sebo Felix1 and Dart1

Product Features and Benefits

- Patent pending design locks the brushroll onto the drive shaft to ensure reliability.
- Wood body design exudes quality compared to the OEM plastic dowel body
- The assembly is complete with ground shaft on non-drive side
- 2 rows of nylon bristle for cleaning effectiveness
- The wooden brush body is biodegradable and comes from a renewable resource
- Made in the USA
